v.

MATTHEW J. DYKMAN

CLERK

Jesus RASCON-Dominguez

CRIMINAL COMPLAINT

CASE NUMBER:

15mj 4396

I, the undersigned complainant being duly sworn state the following is true and correct to the best of my knowledge and belief. On or about December 14, 2015 in Bernalillo county, in the

State and District of New Mexico defendant (s) did, (Track Statutory Language of Offense)

an alien, who had been previously arrested and deported from the United States and who had not received the consent of the appropriate authority of the United States to reapply for admission into the United States, was found in the United States, in the State and District of New Mexico, being willfully in the United States unlawfully

in violation of Title 8 United States Code, Section(s) 1326 (a)(1) & 1326 (a)(2)

I further state that I am a (n) Deportation Officer and that this complaint is based on the following facts:

On December 14, 2015, the Defendant Jesus RASCON-Dominguez, an alien previously removed from the United States was encountered by an Immigration and Customs Enforcement (ICE) Officer at the Drug Enforcement Agency's Office in Albuquerque, NM. The Officer interviewed the Defendant and determined that he is a citizen and national of Mexico, and in the United States illegally. The Defendant was taken into custody and transported to the ICE office in Albuquerque, NM. The Defendant's fingerprints were electronically submitted and compared with records archived by the Department of Homeland Security and the Federal Bureau of Investigations. Fingerprint records identified the Defendant as Jesus RASCON-Dominguez, a citizen and national of Mexico who was ordered removed from the United States by an Immigration Officer on December 31, 2008, and was most recently removed from the United States to Mexico on April 15, 2013. A review of the Defendant's immigration history does not indicate that he has ever applied for, or received the consent of the Secretary of Homeland Security to reapply for admission into the United States.
